250 information articles |

250 careers information articles are available on MyDirections

With over 22,500 views, our **careers articles** contain information on careers sectors, apprenticeships, career routes, Labour Market Information and much more ...

The World Of Work (WOW) programme supports local and national employers to showcase their organisation to thousands of local young people. Containing a series of employability lessons, young people can experience a day in the life of an employee through virtual talks and tours, filmed video clips and interactive content.

The site's CV Builder guides young people through the process of creating a CV, with helpful hints and tips. Easy to follow steps support young people to construct a winning CV in 8 sections.

Jed is part of the MyDirections offer, schools and colleges in the Kirklees and Calderdale area can access this resource for free, and we have an additional 200 out of area schools and colleges now using Jed.
