

Can you help young people to thrive with work placements?

A growing number of young people in our area are struggling in traditional education settings and are at risk of future unemployment. They need opportunities to thrive - and **YOU can make a real difference.**

C+K Careers is getting young people 'work ready' with the **NEXUS In-School** programme and now we need your help.

A work placement can change the life of a young person and provide you with a valuable resource.

Benefits to your business include:

- Boost your reputation as a youth friendly employer
- Grow your future workforce by mentoring young people now
- Improve your workforce diversity with fresh skills, insights and perspectives

We make it easy for you. Hosting and mentoring a young person is straightforward and C+K Careers will:

- Get you and your workplace placement ready
- Provide ongoing support throughout the placement

To create a better future for young people and for your business, please contact Sarah Moore, email sarah.moore@ckcareers.org.uk, call **01484 242000** and ask for Sarah Moore.

Together we can inspire the next generation!
